State Pins/Shirts: DG Kitty Callender and PCC Bob Callender announced that they had received designs for the 2009 State pin, but they had to be rejected because they did not conform to specifications since they contained “aliens”. New designs are invited.

State Convention: PID Ray Marley reported that the 2009 NM Lions State Convention will be held in Farmington May 28-31, 2009. A block of rooms has been reserved at the Best Western Inn & Suites. Negotiations for hospitality suites should be held directly with the hotel.

Public Relations: No report.

MD-40 MERL Team: PID Ray Marley presented a report on MD-40 Leadership Development. Last year’s training was conducted in Albuquerque, Las Vegas, Clovis and Las Cruces. Some 67 Lions attended a session and 27 clubs were represented. He suggested the following locations for training sessions during 2009: Alamogordo, Roswell or Carlsbad, Moriarty and Gallup. - He also proposed that a number of Lions be schooled soon in the T.T.T. program to act as trainers for future presentations to districts and/or clubs.

PDG Rick Jensen suggested that traditional training of club officers might have been too long and boring. There are mini-sessions which can be presented to the clubs by qualified and experienced Lions. He can be contacted at [highrollsems@tularosa.net](mailto:highrollsems@tularosa.net) for further information.

Women’s Initiative: Melissa Washburn reported that past participants voted to keep the Annual Women’s Symposium in Ruidoso and to retain the name even though LCI is now calling it “Family and Women Membership”. The 2009 symposium will be held some time after April 1 when the ski season closes to obtain better hotel rates.

**COUNCIL MEETING SEPTEMBER 6, 2008**

UNM Project: Following a presentation of this project by UNM personnel during lunch, CC Jeff Kriz opened the meeting for a discussion. He stated that this project involves the expansion of UNM's eye clinic and eye research program. If we help UNM in raising \$3.5 million we will have the right to name the new facility and would have an office in the building. He stated that there will be no financial commitment on the part of clubs, districts or MD-40. Rather the New Mexico Lions would assist the UNM Fund Raising Office in identifying potential donors. If clubs or individuals want to make voluntary donations, this would be acceptable.

Lori Stampely, Executive Director of the NM Lions Eye Bank, spoke in favor of joining hands with UNM because it would give the Lions more visibility.

Shelly Smith of the Albuquerque Rio Grande club also supported the project stating that we need to be proactive.

Bryson McCool asked "Should we go ahead?" and answered "Yes". However, he asked what is expected of us, can we fulfill whatever commitment we might make, would we let UNM down if we fail? He cautioned that we should be very careful in committing MD-40 to such a large project.

Anna Marvel stated that the Las Cruces de Noche club recommended approval.

On motion made by DG Chuck Easton, seconded by CC Jeff Kriz, the council approved to proceed with this project.

Raffle: The raffle yielded \$56.00 for MD-40. The winner was PDG Tom Himrod.

There being no further business, the meeting was adjourned at 3:20 PM.

Respectfully submitted.

Secretary
