President's Message

Changing the World with International President

Dr. Patti Hill

Dear Lions,

We're almost at the end of the Lion year, and I've been so fortunate to meet many of you during my travels. I experienced first-hand one of our association's greatest strengths—the diversity of our membership and service.

For more than 100 years, Lions have opened their arms to the world and embraced new people, projects and ideas. We provide eyeglasses to those with low vision, welcome displaced people to our communities, care for the elderly and so much more.

As Lions, we don't just accept the status quo—we innovate to meet the ever-changing needs of our communities. Let's continue to find new ways of supporting all people who need us and inviting all people who want to join us in service.

Yours in service,

Dr. Patti Hill
International President

2023-2024 District Governor

Ed De Armond

Thank you, Lions, for a great year! I learned and enjoyed so much more my second time as District Governor. I learned how special people are across our district and state. I learned there are people out there who will do whatever it takes to make a difference in this world. I learned there are people who do not care about the awards or recognition, but just about "service to others." It's important to examine why you joined and why you remain a Lion. What is it really about? What should really matter? Are you afraid of change? Why? I think it's important to focus on those questions from time to time and if your actions and your clubs' actions reflect the values of Lionism. Is your club growing or declining in numbers? Why? Are we recycling roles at the state level or bringing in new voices and new ideas? Are Lions wanting to get involved at the state level or not? Why? I stepped up to be DG for a second time because nobody else would do it. I am so glad that I did because I learned how to be a better leader myself. But the question remains as to "why" this is something we have to do? I also learned that there are many who are resistant to "change" and hold onto outdated ideas and systems. This will not retain members, attract new and younger members and will not help achieve Mission 1.5. This isn't just my opinion. The facts speak for themselves as we move away from New Mexico representing multiple districts. Are we changing with the times? Some clubs across the state are growing. Network with them and find out how they are doing this and implement some new ideas into your own clubs. Keep it fun. Keep the fellowship! This is a great organization, and it can be even BETTER! There are great resources on lionsclub.org. Visit the site and find ways to make your club BETTER.

Thank you to the clubs who allowed me to participate in their service projects across 40N. I liked being able to visit your clubs with a hands-on approach. You are doing great things for your communities. Thank you to those Lions at the local level who are really making a difference and who never see their name published, attend a banquet, receive an award or any recognition. There are too many of you to name. YOU are the true face of Lionism.

Thank you to my board members who worked very hard for the cause. I appreciate each and every one of you. Congratulations and best of luck to the 2024-2025 incoming board in both the North and the South.

Lions Tidy Mile of Highway

Carlsbad Downtown Lions Club sponsored a cleanup (on Saturday 4 May 2024) of one “adopted” mile of the Loving Highway — located from the Carlsbad Soil & Water office SE toward Otis till Thomason Rd.

Lion Caleb Cunningham masterfully organized the endeavor, beginning with his arrival at 6:15 a.m. to erect a canopy over a folding table laden with breakfast burritos from La Tienda. Many Lions gathered within minutes to don bright yellow airy reflective vests (unlike Lions ceremonial vests, also yellow).

“May the Fourth be with you!” Lion Lázara Reyes declared to Lion Johnny Washburn as he conveyed her and others down to the SE terminus of the mile — jointly adopted by both Downtown and Heights Lions. Representing the latter were Lions Lázara, Mike & Teri Dodson, Bernie Sanchez, and Michael Bromka as one crew — as well as Lion Rick Wiedenmann working elsewhere that morning. The great majority of litter pickers were Downtown Lions, plus non-Lion volunteers — Dante, Nicholas, Max, & Leo Hartert, and Dominic Smith.

It’s ironic to note how so many motorists healthfully hydrate — then pitch their empty plastic water bottles out a window, befouling the roadside. Soda cans, beer bottles, fast food bags, and commercial wrappers abounded.

Bagging litter piece by piece is of course a short term fix. “But it feels good to turn landscape back more natural” said Lion Lázara.

Lion Johnny Washburn in his Polaris Ranger utility task vehicle sped up and down the highway’s shoulder to drop off workers, water, and empty bags, then pick up bags full of refuse. In all, Lions had filled 41 bags by 10:30 a.m.

Atop his canopied table, Lion Caleb arrayed sandwich makings. By 11:30 a.m., most departed well fed and glowing from a job well done. In addition to leader Lion Caleb, Downtown Lions who participated were Lions Anjeanette Alford, Roni Barnhart, Kay Doss, Gemma Ferguson, Patricia Hartert, Mark Horton, Mary Garwood, Eric Estrada and Melissa & Johnny Washburn.

Lions Jameson Lucas and President Kat Davis represented the incipient Carlsbad Community Lions.

Bernie Sanchez, Mike & Teri Dodson, and Lázara Reyes of the Heights Lions crew.

ABQ LIONS AT THE VA HOSPITAL BBQ IN ALBUQUERQUE, NM

Trudi Lynn, VIST Coordinator for New Mexico VA Hospital, requested the Lions Clubs to serve at the Visual Impaired Veterans Annual BBQ on Wednesday, May 8, 2024. Fourteen Lions were there in full force. Approximate 50 veterans and family members were in attendance to enjoy this event. Master Chefs, Lions Frank Lasky and KR Scott, were at the grill.

Menu: Hamburgers, Cheeseburgers, Hot Dogs, Bags of Chips, Potato & Macaroni Salad, Chocolate and Vanilla Frosted Cupcakes, Water, Regular and Diet Soft Drinks.

Lions got busy setting up the tables for an easy flow for the veterans to line up and request their choice from the grill. They garnished their sandwiches with lettuce, tomatoes, onions, mustard, and catsup. We took orders and served the visual impaired veterans; we served the disabled veterans with wheelchairs and walkers. After lunch we cleaned up the courtyard, folded up tables and chairs and placed them back on the racks. As I was walking to my car, I felt so grateful to be part of this

wonderful group of Lions. The gratification we received from everyone was overwhelming. It was a great day for everyone!

ABQ Breakfast: Lions Rita Graham, Sandy Stewart, Annie Klang, Barbara Hull, Tony Bryce, Carol Marshall

ABQ Rio Grande: Lions Lenny Bean, Jim Twohig, Max Dominquez

Clovis Evening Lions Flower Delivery May 2024

The Clovis Evening Lions delivers flowers for one of our local florists on Mothers Day. The joy it brings to the Mothers we deliver to rubs off on us. If I had to choose my favorite project within our Club, it would be this one. We all need to remember that it's the simple things that make someone smile and feel loved.

Clovis Evening Lions Pioneer Days Rodeo May 2024

The Clovis Evening Lions helped the Curry County Mounted Patrol at their annual Pioneer Days Rodeo. The Club handed out complimentary drinks and snacks to the Contestants at the three day event in a Pepsi truck. Any time we are working a project there's lot of fun and laughs to be had. Can't wait until next years Rodeo. I also added a couple of cute pictures of my sweet little grandson so you could see there's tons of fun to be had at all ages.

La Mesa Lions Club Projects

On 11 May 2024, 12 La Mesa Lions cleaned up a two mile stretch of Highway that runs through La Mesa. Afterwards, everyone met at Casa El Camino in La Mesa for lunch and drinks.

On 15 May 2024, four graduating seniors from Gadsden High School received scholarships of \$2,000 each. A previous winner of one of the Club's scholarships who is enrolled at NMSU has applied for and selected to also receive a \$2,000 scholarship. In addition, the Club donates \$500 to an endowment foundation that provides scholarships to vision impaired students at NMSU. Lions Ginny Acosta and Davide Medina co-chaired this year's Scholarship Committee.

Several years ago when the KidSight Office was located at the Las Cruces Lions Community Center, Program Manager Lion Brenda Dunn had the Las Cruces Sunrise Lions make a structure where food items could be stored for people in need. The structure, which was placed in front of the Community Center, was named "Cali's Cupboard" in memory of PDG Cali Tellez of the La Mesa Lions Club. When the Community Center closed down, Cali's Cupboard had to find a new home. It was adopted by the La Mesa Lions and Lions Al Merigo, David Medina and Israel Palma moved Cali's Cupboard and installed it at its new location on Highway 28 at the corner of Chope's parking lot. The structure has been enhanced to also provide books for the local children. Recently there has been quite a bit of activity at Cali's Cupboard not only with folks getting food items they need but also with people donating food items.

About four years ago, the Club began assisting Lion Sofia Hernandez, Parent Outreach Coordinator for the Gadsden School District, with providing food, clothes and household items for folks in need in the communities in southern Dona Ana County. Since then, Lion Sofia has been provided a building (called Sofis's Closet) by GISD for easy distribution of food, clothes and household items. Members of the Club work about 30-40 hours a week to support the distribution. Recently, PDG Ruth Wilkes donated all the remaining items from Twice Blest Thrift Store in Alamogordo to Sofia's Closet when they closed down. In the picture, Lions have just finished moving a big load of items to Sofia's Closet.

La Mesa Lions Club Projects Continued....

Recently, Lion Robin Welsh chaired the Children's Books Project which provided some very nice books to the North Valley Elementary School K, 1st grade and 2nd grade students before Spring break. Funds for the project came from a \$3,000 grant from Tutti Bambini Children's Clothing Store in Las Cruces.

At the Melvin Jones Fellow Luncheon that occurred at the 2024 MD40 Convention on 18 May 2024 in Las Cruces, two outstanding La Mesa Lions were honored with MJF Awards. Lion Lyla Wagley has been a very active Lion this year participating in all Club events and heading up the planning of the 1st Annual La Mesa Fall Festival at the park behind the La Mesa Community Center which was a very successful event. Lion John Papen, who has been a very active member of the La Mesa Lions Club for over 20 years, received his Melvin Jones Award in 2006. He is the #1 ticket seller for the Club's annual Enchilada Supper and for hole sponsorships for the Club's annual Golf Tournament. For his outstanding service, Lion John was awarded a Progressive Melvin Jones Fellow Award.

ID Guy Hollander presents Lion Lyla Wagley with her award as PCC's Gemma Ferguson and Melissa Washburn watch.

Sandia Mountain Lions News

Nine Sandia Mountain Lions worked (and played) putting on a successful Yard Sale May 25 at the Jones carport in Tijeras. Pictured are Lions Steve-O Marusich, Peggy Smith, Sharon Thompson and Bob Jones, just after they moved left-over items to storage for a future sale.

PCC Bob Jones held a Lions orientation session for new members at his home on May 8. Attending were Lions Dorothee and Penn Baker, Peggy Smith, Caroline Hess, Sammie Hutchison, and guest Alberto Flores.

Peace Poster chair Lion Gerry Jones was happy to present 40N poster winner's check to Isabella Duran in front of her art classmates at Roosevelt Middle School in Tijeras and her proud teacher Brian Baker.

LCIF News

Hello Lions, Leos and fellow humanitarians,

I am thrilled to announce that LCIF is well on its way to achieving this year's stretch fundraising goal because of the awesome generosity of those of you who have donated this fiscal year. Although we've made excellent progress, we need your help to push us through to the finish line by making your personal and club donations, hosting a fundraiser and encouraging others to give to LCIF. Less than one month remains before I have the sincere pleasure of announcing our total funds raised during the Second Plenary Session at the annual convention in Melbourne. I am truly looking forward to celebrating our successes together and sharing the worldwide impact of our collective service made possible through our foundation.

Every donation brings us closer to achieving our goals, while continuing to enable us to change lives of people who need our help by providing for immediate needs after a natural disaster, feeding children facing food insecurity, helping hospitals improve facilities to treat vision impairment or serving in so many other ways. We are truly making a difference in the world together with our global foundation. My sincere thanks to everyone who supports LCIF financially and as an ambassador for the work we do together.

Make a great day,

Brian E. Sheehan

ALBUQUERQUE 'BURQUE BEE 2024' ADULT SPELLING BEE

Ethos, an Adult Education Center for Literacy, had their annual fundraiser Burque Bee event on May 3, 2024. This was a spelling bee contest for adults. It was held at the Canteen Brewhouse in Albuquerque, NM. I volunteered that evening, not realizing that I would acquire the position of Volunteer Manager. After quickly learning my duties, I went into action. We were honored to have Shelly Ribando, News Anchor for Action 7 KOAT in Albuquerque, to emcee the event. There were volunteer judges, scorekeepers,

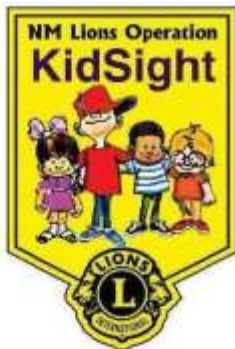

Lion Carol Marshall, Reading Action Program Chair

timekeepers and others to assist with duties. There were 7 groups (3 participants per group) who challenged each other to received points for correct spelled words. It was a fun night! I have been a certified tutor for eleven years with Ethos. I receive excellent training and support from their staff. I am proud to be among a great group of tutors working with adult literacy in Albuquerque.
