INSIDE THIS ISSUE:

LCIF

From LCIF Chairperson Douglas X. Alexander

Greetings, Lions and Leos!

As we approach the end of another Lion year next month, I am thrilled to announce that LCIF is well on its way to achieving this year's fundraising goal. This accomplishment is made possible by the generosity of Lions and Leos like you, who continue to recognize the need to support the foundation that helps lead our global service. While we are getting very close to our goal, we need your help to cross the finish line. Every donation brings us one step closer while enhancing Lions' service impact in communities worldwide. As Lions, we always achieve our goals, and I am confident we will succeed. I'm so confident, in fact, that I recently announced a stretch goal, and challenged Lions and Leos around the world to help LCIF not only meet this year's US\$50 million goal but exceed it by 10 percent and raise US\$55 million. I have no doubt that we can achieve this together. Thank you to everyone who has made a personal contribution to LCIF this year. Funds raised are already making a difference to those in need.

Socorro Lions Club Gun Show Best in Years From El Defensor Chieftain

Story by Russell Huffman, Assistant Editor, April 20, 2023

The Socorro Lions Club gun show on April 14-15 was a roaring success, with a steady stream of people attending over the weekend at the rodeo and sports complex.

“Last year, we decided to join up with 505 Productions, and they’re the ones that are doing a lot of the advertising for it. We’re doing much better with them than we have in the past,” Lions Club Secretary Vern Leavitt said.

According to Leavitt, the Socorro Lions Club has hosted a gun show in one form or another for the past 40 years. On Saturday morning, many people were paying the entry fee to shop for the latest handguns, rifles, shotguns, and accessories.

The gun show is a significant fundraiser for the Socorro Lions Club and supports its many charitable activities, including scholarships.

“Every dime that we raise from the public goes back to the public, in one way or another. One of the things that we do is vision care. Of course, that’s what the Lions are known for,” Leavitt said. “Here in Socorro, we sponsor four people on scholarships at \$500 a semester. That’s a \$4,000 scholarship when they graduate. So that’s, that’s one of the big things that we do. We help wherever somebody needs help. Occasionally where we’re helping other clubs or something like that.”

Fellow Lions Club member Bonner Oates agreed with Leavitt’s assessment that the numbers attending the show were up.

“I was skeptical about it (partnering with 505). I was all Missouri (the show me state) about it,” Oates said. “But we have been doing very well and are pleased to see people coming in.”

AdultSight Eyeglasses Program

Statewide, Lions are still able to help people in their communities with glasses despite the current Covid-19 environment we are living in!

Here is the AdultSight Eyeglasses application that can be given out to community members statewide that have current prescriptions. If they do not have a current prescription have them add "Need Eye Exam" to the bottom of the application and we will refer qualified applicants to the closest participating office for their eye exam and glasses through the VSP Gift Certificate program. All applications for assistance should be returned to the Central Office in Las Cruces for processing if your club does not have the financial means to help them.

For eyeglasses only requests, if your club has the Changing Life Through Lenses sample frame kit we will contact you after processing each of your referrals applications with the next step in the process for you to help your referral.

If your club does not have the frames kit we will either arrange to send a loaner frames kit to you/your club that will need to be mailed back to the Central Office when the selection has been made. Then you can set up a meeting with your referral for them to choose their frames or we can email frames pictures to your referral to choose their frame by picture alone.

If you have any questions please feel free to contact Lion Brenda Dunn at the Central Office at 575-525-5631 or nmlionskidsight@gmail.com or Lion Rita Graham at 505-688-1916 or spectaclewhiz@aol.com.

Lions Do Have a Resource Both For Recycling Hearing Aids and Referrals for Hearing Aid Assistance

DIRECTOR TAMMY LITTS IS AVAILABLE TO SPEAK AT MEETINGS AND PROVIDE INFORMATION ABOUT THE CENTER LOCATED AT 9500 MONTGOMERY BLVD, NE SUITE 215. SHE CAN BE REACHED AT 505-247-4224. She worked with Lion Ellie and the Transitional Leos in the past.

RECYCLING - The Center checks hearing aids first to see if they can be cleaned and used as loaners to clients waiting for hearing aids. If not, they are sent to a company named Starkey who saves parts for requested repairs.

HEARING AID BANK - The Albuquerque Speech Language and Hearing Center 's Hearing Aid Bank (HAB) is designed to assist people with limited resources to obtain entry level digital hearing aids at a reduced cost. The program is made possible, in part, by funding from United Way of New Mexico and is available to anyone in the State, not just Albuquerque. They received \$41,000 from United Way in 2012-2013.

(Capital City Lions have made a referral to a low income Santa Fean. She is calling the Center for an application form. She will also submit an application to our club using our eye exam and glasses form and will keep us informed as to her success.)
