# NM LIONS ROAR

VOL. XVII, ISSUE V  
NOVEMBER 2023

INSIDE THIS ISSUE:

## President's Message Changing the World with International President Dr. Patti Hill

Our service is a promise to the world, and we can only truly fulfill it by expanding our membership and starting new clubs so we can give even more to the communities we serve. That's why MISSION 1.5 is so important.

The Global Membership Approach provides the process and the resources to grow your district and clubs so we will always be ready to serve. But to be successful, we have to instill the MISSION 1.5 commitment and enthusiasm at the club level. So get your Lions excited about growing their clubs and starting new ones so we can increase our impact. Make every club visit count. Use your district communications to let Lions know what we're trying to achieve and why it's so important.

Remember, you are part of a team—and a global network—so let them work for you. Depend on your district team and delegate responsibilities to get the right people contributing to success. Take advantage of the GAT, which can help you achieve positive growth in your clubs and reach your MISSION 1.5 targets.

It will take every Lion working together to achieve your goals and establish a tradition of excellence. I'm counting on you to guide your district to success in achieving your district's goals. You are a proven leader. Now is the time to lead!

Yours in service,  
Dr. Patti Hill  
International President

balloons. After the Ascension, many returned for more shopping. We met people from other states and countries. We were greeted with amazing smiles.

This fundraiser will provide funds for our annual Christmas Party for the New Mexico Boys and Girls of the Ranches. With contributions of other New Mexico Lions Clubs, we are able to provide food for a barbeque and purchase gym shoes for the children and staff members in residence.

Two days of early starts for young and loving hearts!

## Carlsbad Heights Lions Club News

The Heights lions have been very involved with the New Mexico ramp project and we have been designated as a team. We have been set up with a large number of tools and a day of construction with their CEO here in Carlsbad. In the last month we have built two ramps and we are looking at doing our third ramp in the near future. This is not solely a Lions Club project and we have several people from out of the club participating with us. Anyone interested in participating should let me know their email address as soon as possible, and when the next ramp comes up, they will be contacted.

Another ramp completed. Much needed by the homeowner. This is our second ramp in partnership with the New Mexico ramps organization. Great turnout and this 22 ft ramp only took 3 hours with a great crew Saturday morning and about 1-1/2 hours Friday afternoon at POWER SERVICES LLC shop. Thanks to Luis Banuelos for the use of his facilities.

## Lions Clubs International Foundation News

Hello Lions, Leos and fellow humanitarians,

The last several weeks, I have had the opportunity to visit with many of you around the world and hear your stories of service made possible by LCIF grants. I was particularly moved by the way Lions in Morocco have used LCIF grant funding to help people who were impacted by the devastating earthquake that struck there. The region will continue to need Lions for many months to come, and I'm proud that our foundation and Lions on the ground can work together to help during this time of great need.

Our foundation truly empowers us to make a difference in the world, thanks to the continued support of Lions, Leos and many others who generously give to LCIF, including our corporate partners. In this month's newsletter, we share the impact made possible through our partnership with Latter-day Saint Charities. I also hope you will learn more about ways to support LCIF and be recognized for your contributions, as well as share your stories of service made possible through our foundation.

Thank you for being an ambassador for LCIF.

Make a great day,

Brian E. Sheehan

Chairperson, Lions Clubs International Foundation

## Edgewood Lions Club News

We are getting ready to wind down for the year, Just 4 more fun activities to complete before the end of the year.

We will be giving candy out at the Annual RV Sales Trailer to Trailer Trick or Treat which will end our October doings. In November we have 2 Kidsight Teams traveling to Gallup on the 2nd, and our Annual Craft Show on the 4th. On December 9th, we will travel to the NM Boys and Girls Ranch, aka the Ranches and along with the Albuquerque Breakfast Club hold the Annual Christmas Party and Shoe give away to the residents there. On the 2nd our Annual Christmas meeting. I think this is all unless Lion KR finds something else for us to do. (Just Kidding.)

Let's look at what the Edgewood Lions have done.

On September 30th, we held our 2nd Annual Bicycle Rodeo. A lot better turn out than last year. We were in competition with several other activities in the East Mountains on that same day, but all the riders, parents, family members, and of course the Edgewood Lions, Edgewood Police Department, Sandia Mountain Lions, the Albuquerque Uptown Lions and the Gallup Lions had a Great and Fantastic Day. The bicycles that were donated for the winner of the 4 age group competitions, well talk about happy young'uns.

We had 3 of our Lions travel to the Ronald McDonald House, along with the Santa Fe Capital City Lions and drop off close to 200 lbs. of pull tops. Had a great tour. What a wonderful place to visit.

On October 28, Lions KR and Linda Scott got in their Halloween Finest and went to the Edgewood Trunk Or Treat. In the pictures, it looked like they had a ball. Even their car got all dressed up.

Also we did Kidsight screenings, had members out picking up trash, and volunteers at the East Mountain Food Pantry.

Just a reminder to any Lions wishing to visit our club. We will be meeting once a month until March of 2024.

We are wishing all Lions and their families Happy Thanksgiving.

# Clovis Evening Lions Gun, Knife & Coin Show October 13-15, 2023

The Clovis Evening Lions Club puts on two shows per year, and because the Show has grown so much in the past few years, we have had to move to the Curry County Event Center to accommodate for the expansion. This October's Show brought in 82 vendors and 226 tables. The items brought in ranged from Guns, Ammo, Knives, Coins, Scentsy, Conceal Carry Purses, Jewelry, and so much more.

People from all over come to see what gem they might find and just can't live without.

The Gun, Knife & Coin Show is one of our biggest fundraisers. All proceeds go towards helping people in our community and surrounding areas. With that said, it also brings our Club together as a group, from the laughs, the memories, and the fellowship, to the hard working group that comes together to ensure everything is done and that all vendors are happy.

## Carlsbad Downtown and Heights Lions Club Joint Cleanup Venture

What an incredible day of community service! Our dedicated members from the Downtown Lions Club came together early this morning to clean up a section of Loving Highway, and it was a huge success. We want to express our deepest gratitude to Lion Caleb Cunningham, a true leader and driving force behind this clean-up event. Caleb's commitment to our club and his efforts in securing our adoption of this highway section through the Adopt-a-Highway program are truly commendable. Thank you, Caleb, for making a difference!

We would also like to give a special shout-out to Candace Barela, the PIO for NMDOT District 2, based in Roswell. Caleb worked closely with Candace to apply for our highway section adoption, and her support was instrumental. She provided us with the essential supplies, including trash bags and vests. Thank you, Candace, for your invaluable assistance!

Furthermore, we would like to extend our appreciation to Carlsbad MainStreet for providing the much-needed trash pinchers, enabling us to clean up more effectively. And a big thank you to CNB Bank - Carlsbad, New Mexico for generously providing breakfast burritos to fuel our dedicated volunteers.

Today's clean-up event was a joint effort between the Carlsbad Downtown Lions Club and the Carlsbad Heights Lions Club. We are proud to have had 25 participants from both clubs come together for this important cause. Together, we collected over 40 bags of trash, making a significant impact on the cleanliness of our community.

We are incredibly grateful for everyone's contribution and the positive change we are creating together. Let's continue to work hand in hand for a cleaner, greener, and more vibrant Carlsbad!

## **AdultSight Eyeglasses Program**

Statewide, Lions are still able to help people in their communities with glasses despite the current Covid-19 environment we are living in!

Here is the AdultSight Eyeglasses application that can be given out to community members statewide that have current prescriptions. If they do not have a current prescription have them add "Need Eye Exam" to the bottom of the application and we will refer qualified applicants to the closest participating office for their eye exam and glasses through the VSP Gift Certificate program. All applications for assistance should be returned to the Central Office in Las Cruces for processing if your club does not have the financial means to help them.

For eyeglasses only requests, if your club has the Changing Life Through Lenses sample frame kit we will contact you after processing each of your referrals applications with the next step in the process for you to help your referral.

If your club does not have the frames kit we will either arrange to send a loaner frames kit to you/your club that will need to be mailed back to the Central Office when the selection has been made. Then you can set up a meeting with your referral for them to choose their frames or we can email frames pictures to your referral to choose their frame by picture alone.

If you have any questions please feel free to contact Lion Brenda Dunn at the Central Office at 575-525-5631 or [nmlionskidsight@gmail.com](mailto:nmlionskidsight@gmail.com) or Lion Rita Graham at 505-688-1916 or [spectaclewhiz@aol.com](mailto:spectaclewhiz@aol.com).

## Kidsight & Smith's Community Rewards Program

Hello Lions of New Mexico!

We hope this email finds you all well.

We have just enrolled the New Mexico Lions Operation Kidsight, Inc. (NPO #24950) in the Smith's Community Rewards Program.

For those of you that shop at Smith's Food and Drug Supermarket we would greatly appreciate you taking the time and register/create an account online at the following link <https://www.smithsfoodanddrug.com/topic/community-rewards-3> and help us raise money for the foundation. **You do need to have a Smith's Rewards Card** to register and you can obtain that card at the **customer service desk** in your local store. Purchases will not count for us until your card(s) are registered!

## Lions Do Have a Resource Both For Recycling Hearing Aids and Referrals for Hearing Aid Assistance

**RECYCLING** - The Center checks hearing aids first to see if they can be cleaned and used as loaners to clients waiting for hearing aids. If not, they are sent to a company named Starkey who saves parts for requested repairs.

**HEARING AID BANK** - The Albuquerque Speech Language and Hearing Center 's Hearing Aid Bank (HAB) is designed to assist people with limited resources to obtain entry level digital hearing aids at a reduced cost. The program is made possible, in part, by funding from United Way of New Mexico and is available to anyone in the State, not just Albuquerque. They received \$41,000 from United Way in 2012-2013.

(Capital City Lions have made a referral to a low income Santa Fean. She is calling the Center for an application form. She will also submit an application to our club using our eye exam and glasses form and will keep us informed as to her success.)

## **New Mexico Lion Diabetes Awareness & Smith's Community Rewards Program**

The New Mexico lions Diabetes Awareness Program (NMLDAP) is now supported by Smith's Community Rewards Program. Our non-profit organization number is 96006.

To register online: [www.smithscommunityrewards.com](http://www.smithscommunityrewards.com) customers must have a registered Smith's "rewards" card to link to our organization. If a customer does not have a "rewards" card they are available at the service desk at any Smith's or on an on-line Smith's account entering their "rewards" card number and choosing the organization they would like to support through their shopping.

Step by step enrollment instructions can be found at: [www.smithscommunityrewards.com](http://www.smithscommunityrewards.com). All participants must swipe their "rewards" card when shopping for each purchase to count.

Thank you for your supporting The New Mexico lions Diabetes Awareness Program.

## **RONALD MCDONALD HOUSE PULL TAB COLLECTION STILL ON-GOING!**

The closest for 40 north is 1011 Yale, NE, Albuquerque. Bring them to the next district or multiple meeting and Santa Fe Capital City or an Albuquerque Lion Club will deliver them for you. This article is from their website, modified for New Mexico.

And Hey! For such an easy club project, get double credit on your club activities report to LCI—Helping youth as well as the environment by recycling! They help with everyday expenses, but service is provided to children by helping their parents.

SFCC Lions Tom, Connie and Rose delivering tab tops to Ronald McDonald House were led by the late Lion Sara Filemyr who was hugged by Ronald who awaited them at the door.
